

## A Note From Diane

## “What’s Your Style?”

Everybody has one...a style, a flair, an image. It's simply a preference for what suits you. These different styles are what define us. It's

also what determines your choice of leisure activities and the mode of transportation you prefer. Our Discover Club trips are planned with this in mind. If your travel style is an entertaining day trip to a theatre performance or an educational tour for an inquisitive explorer, we have it. If you are intrigued with culture, historical landmarks or the wonders of Mother Nature, we have it. 2019 promises to be the year for Ships, Trains, Buses, or Planes...you choose your style. :)
