You agree not to disclose or otherwise make your password available to anyone not authorized to sign on your accounts.

In order to ensure the security of your records, we will end your online session if we have detected no activity for 10 minutes. This is to protect you in case you accidentally leave your computer unattended while you are logged on. When you return to your computer, simply re-enter your user id and password and continue your session.

NO SIGNATURE REQUIREMENT:

When any payment or other on-line service generates items to be charged to your account, you agree that we may debit the designated account without requiring your signature on the item and without any notice to you. No signature will be required for Address Changes sent to us through the secure Online Banking "Contact Us" link.

NOTICE OF LIABILITY (CONSUMERS ONLY):

Tell us AT ONCE if you believe your online banking user ID and/or password has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your user ID and/or password, you can lose no more than \$50.00 if someone used your user ID and password without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your user ID and password, and we can prove that we could have stopped someone from using your user ID and password without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods

When you give someone your State Bank Online Banking Username and/or Password, you are authorizing that person to use your Online Banking Services, and you are responsible for all transactions the person performs using your Online Banking Services. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. If you notify us that the person is no longer authorized, then transactions that person performs after the time you notify us are considered unauthorized. Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions.

If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results of our investigation within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
